[illegible] and [illegible] Secretariat — File No 25 of 1932 — [Apdx F III]

Serial No 15

Letter no 65-L & R-7/1/32-33 dt. 13-1-33 from the Deputy Commr Ambala forwarding application in this regard, praying not to acquire certain properties in Ambala town, required for extending the compound of the Roman Catholic church & for improving the sanitation of the place.

The Dc states that the cost of acqn will be met out of the sum of Rs 300 deposited in the Treasury by the church authorities. Under the Govt of India Acqn Act, no acqn proceedings can be taken, unless the compensation thus awarded is to be paid by a company, or out of public revenues or some fund controlled by a local authority. It is therefore doubtful whether acqn proceedings can be instituted in the present case. Law Section may be consulted in the matter.

... case in 25 Bys C C R 228 makes it clear that the provision of Sec 6 of Act Sec 10 proviso must be complied with in substance & in spirit for the acquisition proceedings to be valid.

Accordingly para 4 of the instructions issued under the order of 23rd June 1927 lays down that part at least of the cost of acquisition must come out of the public revenues of the funds of local authorities.

Similar instructions have been issued by the Govt in letter dated 2/5 May 1932

Thus the amount to defray the cost of acquisition must come out public revenues of the funds of Municipal Municipality initially, though an adjustment may be made subsequently.

Since a church is an institution serving a Community which is a part of the public the purpose of the acquisition would be a public purpose under Sec 6.
